WhaleDown Crack Free Download Screenshots: WhaleDown Website: Download Link: (Photo: Gage Skidmore / Flickr) For decades the US government has worked hard to conceal its support for Israel, but no amount of diplomatic support for Israel can disguise the fact that U.S. government policy is fundamentally against the interests of the Palestinian people. During the present day war in Gaza, the U.S. has put enormous pressure on the Palestinian Authority, telling them not to reach an agreement with Hamas, because that would amount to legitimizing the extremist group. Indeed, Washington has placed so much pressure on the PA that on November 3, 2011 the PA signed a reconciliation agreement with Hamas. But Washington is not just putting pressure on the PA to accept Hamas. The Obama administration has put tremendous pressure on the PA to continue their punitive measures against the Gaza Strip, and has pressured the EU not to lift sanctions imposed on Israel over its war with Gaza. That's because Israel is a U.S. ally, and the U.S. wants Israel to get
