1:00 min Lionel Messi was recently asked about FIFA Ultimate Team in a friendly interview, confirming that your team will be custom-built based on your favourite players' attributes. How can you get that right? Romain Amiel: When you are playing in the Champions League, you know each stadium well and you are working at a level much higher than we are used to. You spend months on your stadium, but once the event gets underway, you have a 24-hour a day cycle to build the team. The amount of time you spend doing this gives you a real chance to take your franchise to the next level, so
